### Nut Free School

Dear Parents

We have a growing number of pupils with nut allergies in this school. Since this condition can be life threatening, we are asking for your help in minimising the risk to these children by:

- a) Avoiding giving your children nuts in school breaks/lunches
- b) Avoiding giving peanut butter sandwiches, other spreads containing nuts such as Nutella and snacks/bars containing nuts or labelled "may contain nut traces" in school lunches
- c) Asking children **not** to share their lunches.

Due to the severity of the problem, it is important that all parents carry out these measures and reduce the risk of allergic reaction.

We thank you for your co-operation.
