

## Termoncanice Primary School & Nursery Unit

# Maths Week Ireland

Dear Parent/Carer,

This week and next, we are celebrating Maths Weeks Ireland, and we will have all sorts of fun Maths activities going on in school. Be sure to ask your children what they're learning in Maths. It could be Maths Trails, puzzles, artwork – so many exciting possibilities!

Your child will come home with a “Maths Family Homework” to complete in the next few days. Help us build a love of Maths by taking part with your children, completing the task, and taking photos of you all doing it. Please send your photos by Private Message to our Facebook Page, and we will make an album to share with you all.

Our new School Website will be launched later next week – look out for all the Maths Week class updates on there too!

Sincerely,  
Mrs Doherty, Principal.
